WB: Monday 6th July 2020

Summer Term 2 / Week 6 Phonic

Our letter for this week is the letter 'l'

Miss Sait will be posting her introduction to this sound on Edmodo on Monday morning, so make sure you look out for her video to hear the sound this letter makes and to see its correct letter formation.

Over the course of this week you can…

* Practise saying the sound aloud so your child can become familiar with hearing and saying the sound.

* Identify any objects that begin with the letter 'l' (e.g. lap, leg, lit)

* Use the formation sentence shown on the flashcard above when writing the letter.

* Use your robot arms and sound fingers to sound out and blend CVC (consonant, vowel, consonant) words. (e.g. log, let, lot)
