

# Twister!

Dust-swirling,  
Air-twirling,  
Cloud-breaking,  
Rain-making,  
Wind-churning,  
Sky-turning,  
Wild-spinning,  
Land-thinning,  
Car-smashing,  
House-bashing,  
Tree-slashing,  
Town-trashing,  
Child-scaring,  
Non-caring,  
Mad-raging,  
War-waging,  
Torn-ading...  
**Twister!**

1. According to the poem, what does the twister do to children?

---

2. What do you think it means by 'land-thinning'?

---

3. Why do you think the poem looks the way it does?

---

4. Imagine the poet has asked you to add an extra line into the poem. Without repeating any of the words, what could it be?
