

Literacy Week 6 Tuesday

Learning Intention: To describe a new setting in the story.

In your blue exercise books write **Week 6 Literacy** and today's date.

To you are going to choose a new setting for your dinosaur story. Some dinosaurs lived underwater, some up in trees; some liked to drink from large lakes or lived on the side of mountains or volcanoes.

Today you are going to think of your own setting for your dinosaur story. Write at least 3 sentences to describe your new setting. For example:

"The dinosaurs lived high up in the mountains. The mountain was full of rocks and caves and there was a big green forest at the bottom. The mountain was very tall and wide."

Remember all your finger spaces, and to write with neatly formed letters sitting on the line.
