

Phonics Week 5 Monday

Today we are learning to read the new sound: ir

Say: Girl in a whirl 'ir'

This week we will learn 2 new sounds (ir and oy) and we will keep practicing our tricky words.

This song will introduce some of the new sounds we are going to be learning over this term (it is not all of them but is a great introduction to some of them).

Try and sing this song every day this week to help you learn these new sounds:
