

## Phonics Week 3 Friday

This week we have revisited the sounds:

1. You should now be able to read and write words with these sounds. To check your knowledge have a go at reading these words:

cake    make    bone    rose    stone  
take    cone    fake

2. How did you get on? If you struggled to read any of these words have a go at writing them out yourself and reading the sounds aloud as you write.
3. Now we don't want to forget all our tricky words so have a go at the song we already know and the video of our new words.
