Summer 2 Week 2

Superworm

This week we are going to continue with the story 'Superworm'. Over the week you will be creating your own minibeast story.

Rewatch the story here:

<https://www.youtube.com/watch?v=7Jnk3XApKBg>

Monday

Watch the story and choose a new minibeast to replace 'Superworm'. Draw your new minibeast and describe it. You could draw the minibeast in the middle of the page and draw lines coming from it to label it. Remember to include characteristics, like Superworm was super strong, but he was also very helpful. Will you write about a ladybird? A butterfly? A grasshopper? Remember to write at least 3 sentences describing your character. See if you can remember your capital letters and full stops!

Tuesday

In the story the Wizard Lizard was a mean character. For your new story, you are going to need a character that could be mean or cruel. This character could have magical powers like the Wizard Lizard. Perhaps it is still a wizard but a different creature, for example a frog wizard, or a spider wizard. Or perhaps a worm witch? Remember to write at least 3 sentences describing your character. See if you can remember your capital letters and full stops!

Wednesday

Now that you have decided on your new characters, you will need to think of a new setting for your story and describe it. Try to think carefully about the minibeast you have chosen and where it might live. For example, the grasshopper might live in long wavy grass in a big field with flowers. Where would your minibeast live? Remember to write at least 3 sentences and use full stops and capital letters to describe your new setting.

Thursday

Now we are going to focus on a main event in the story. In the Superworm story the Wizard Lizard captures Superworm and puts a spell on him to make him find treasure in the soil. What does your mean character in your story want from your new minibeast character? Perhaps if it is a butterfly the Witch worm could want all the beautifully sweet nectar from the flowers? Remember to write at least 3 sentences and use your full stops and capital letters explaining what your mean character does and how your other main character escapes.

Friday

Now its time to write your new minibeast story in your own words. Use all your writing from earlier in the week to help you.

Don't forget to share your story with us on Edmodo. We cant wait to read them!
