

## Literacy

### Week 5

#### Cautious Caterpillar

In a few weeks it will be the Summer holidays and when you come back to school you will be in Year 1. We are going to start thinking about our move from Reception class to Year 1.

This week there are all different writing activities about moving to Reception. It is really important that you talk to adults about it all and think about your time in Reception and how it will be in Year 1. You can also contact me, Miss Bell, over Edmodo if you have any worries or questions.

For Monday just listen to the story and spend some time talking about it to an adult. Talk about what the caterpillar was cautious about? What made them feel better?
