

Reception Literacy

Week 10

Superworm

This half term we will be learning about minibeasts. Our story for this week is 'Superworm' you can watch the story here:

<https://www.youtube.com/watch?v=7Jnk3XApKBg>

Monday

Watch the story and have a go at drawing and labelling your own story map.

It could look something like this:

Tuesday

Today have a go at choosing one character from the story and describe it. Remember to write at least 3 sentences describing your character. See if you can remember your capital letters and full stops!

For example: "Superworm is very strong and he is long. Superworm is helpful. He is a kind worm."

To help you it is a good idea to draw the character before you begin to write and think carefully about how they look and about their personality.

Wednesday

Today you are going to think carefully about the settings in the story. Choose a setting in the story, it could be the wizard lizards cave or the garden with the other minibeasts. Remember to write at least 3 sentences and use you full stops and capital letters.

Thursday

Now we are going to focus on a main event in the story. Today you have to write about how the minibeasts save Superworm from the wizard lizard. Remember to write at least 3 sentences and use your full stops and capital letters.

Friday

Now its time to rewrite the story of 'Superworm' in your own words. It is quite a long story so you do not have to write each of the ways that Superworm helped his friends but it is a good idea to choose one of the ways he helped them and use that in your story. Use your story map from Monday, and your other writing from this week to help your story writing.

Don't forget to share your Superworm story with us on Edmodo. We cant wait to read them!
