

Ahoy to My New Class!

Jake's First Day

Jake's Worries

What was Jake worried about on his first day at school?

who he would play with

who was going to help him

if the work would be really hard

whether he would have to go into the big playground

all of the big children in the dinner hall

My Worries

How do you feel about starting your new class?

Is there anything that you are feeling **worried** about when you move up to your next class?

Talk to your friends, class and teacher about how you are feeling.

Have you got any questions about what will happen?

Helping Jake

Who helped Jake to feel better?

Jake's family

Jake's new friends

Miss Fox, Jake's New Teacher

How did everyone help Jake?

Helping Jake

What things helped to make Jake feel better about his day at school?

Jake had a fun pirate adventure with his teacher and his class. He made friends, the adults helped him, he played in the big playground, he ate in the dinner hall and he enjoyed his work.

Lots of things that Jake was worried about turned out to be OK.

My New Class

Is there anything that you are really looking **forward** to when you move up to your next class?

Tell your friends, class and teacher how you are feeling about this new adventure.

Have you got any questions about what will happen?
