## COVID-19 test sites

If anyone is showing COVID-19 symptoms, a test should be booked asap. This can be done online or by calling 119. The main three systems are as follows:

- A high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- A new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours. It is coughing more than you are not
- A loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Testing Site	Address	Opening times and dates
Bentley Road	Bentley Road car park, Dalston, N1 4DB	8am - 8pm seven days a week
Stamford Hill	Yesodey Hatorah School, Egerton Road, N16 6UB	10.30am-3.30pm on the following days: 13, 27, 29, 30 September and 1, 18 and 25 October
