RE: Isolation following travel outside of England during the holiday period

Dear parents and carers,

If you have recently travelled back from outside of England, please make sure you check if you need to self-isolate before sending your child back to school.

The full list of countries that do not require self isolation following travel are listed here:

<https://www.gov.uk/guidance/coronavirus-covid-19-travel-corridors#countries-territories-and-regions-on-the-travel-corridor-list>

If the country you have visited is NOT on this list then you will have to self-isolate for 10 days upon arriving back in England.

Please note that even if your child falls into the Key Worker or Vulnerable category and is eligible to attend school from 05.01.21 these rules will still apply. You must isolate for the full 10 days following your return to England. Please call the office on Tuesday 5th January (0208 985 2045) to inform us of your wish to attend under the eligibility to do so but also let us know when your isolation period will end so that we can update your child's class teacher.

With best wishes,
