

# Check Out What They're Doing In...

## RECEPTION

### Classroom Environment

In the outside space, there is a Minibeasts investigation space, where the children are encouraged to practise their verbal communication away from the teachers in the cosy wendy house! There is a mini beasts display hanging down from the ceiling, which incorporates the childrens' minibeasts artwork and is a celebration of all of their learning in this topic.

### Learning

The adults encourage the children to share their opinions in a pupil voice activity at the end of each topic's learning. The photographs of the children show speech bubbles with what knowledge they have acquired over the topic. In RE, the children are thinking about how to protect the Earth and their floor book shows their tips on how to protect the planet. The class have been working hard on their writing and through differentiated success criteria, the class have, all made brilliant progress this year. Some of the letters written by the class used such sophisticated vocabulary!

Dear Errol  
Thank you for your  
garden. What plants did  
you grow. did you grow  
daisys our planis at school  
like a blossom. do you  
play at home.  
School School School School  
From Abria

LI I can write sentences on the same topic or idea.

				A <input type="checkbox"/>
				G <input type="checkbox"/>
				I <input type="checkbox"/>
				E <input type="checkbox"/>

I am working towards stage 12
