

RE and Values

In RE this half term, we will be focusing on the key question:

'What do the miracles of Jesus teach?'

We will be discussing our own personal beliefs in miracles and any personal experiences. We will also be thinking about what the miracles of Jesus teach us and how they can guide us through life.

In Values, we will be looking at **'Being me and my world'** which focuses on our year ahead in year 5 as well as each child's place in our school and wider community.

Homework

Homework will be assigned on Google classrooms each week on a **Friday** with the expectation that it will be returned to school by **Tuesday**. Your Google classrooms log in is the same as in previous years.

Times Tables Rockstars

A copy of your log in to Times Tables Rockstars log in is at the front of your homework book. Keep practicing at home!

Spellings

Children will have a sheet of ten spellings to learn, which will also be on the Edshed website to learn for the following **Thursday**. There is an Edshed log in for this at the start of their homework books.

Informal spelling tests will take place every Thursday afternoon.

Spanish

Year 5 will be continuing to learn Spanish this year and their unit this half term is the **'Home'**. We will be focussing on learning how to say members of the family, describe people in their family and to name pets.

Key vocabulary:
Mother— madre
Father—padre
Sister—hermana
Brother—hermano

St John and St James C of E Primary School Class Newsletter

Welcome to back to school and to Year 5!

It is a pleasure to welcome you all back to school! I hope you had an enjoyable summer holidays and are looking forward to an exciting year ahead in year 5.

Our year 5 teaching team this half term will be:

Miss Tinmouth
Miss Romes

If you have any concerns or questions regarding the curriculum or the year ahead, feel free to organise a meeting with an adult from the year 5 teaching team and we will be happy to help.

Key dates

Year five class assembly—Friday 23rd September

We will be celebrating Black History month in October with some lessons and learning all about Black history.

PE

PE is on Monday and Friday.

Please remember to bring in full PE kits on these days.

Science

Our science unit this half term is:

'Living things and their habitats'

We will be conducting practical scientific enquiries every lesson and learning all about:

- The structure of a flowering plant
- The functions of different parts of a flowering plant
- The life cycle of a plant
- Reproduction in flowering and non-flowering plants
- The life cycles of insects, amphibians, mammals and birds

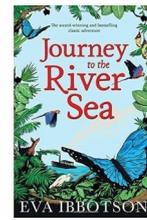

Key vocabulary we will be using is: reproduce, sexual, fertilises, live young, metamorphosis, asexual, plantlets, bulbs, cuttings, gestation

Our key scientist is David Attenborough. You will receive some homework, where you will research lots of key facts about him.

English

We will be basing our writing on our class text, which is:

'Journey to the River Sea' by Eva Ibbotson

We will be writing for different contexts, purposes and audiences. We will begin by writing setting descriptions for London and the Amazon, which will be shared with parents and carers. We will then be writing a diary entry from the perspective of the main character, which will be performed using our oracy skills and shared on SeeSaw.

Our SPAG focuses will be:

- The components of a main clause
- The difference between a phrase and a clause
- Identifying and using figurative language

History

This half term in history, we are learning about:

'The Romans'

We will be focusing on:

- The invasions of Roman Britain
- The Roman Empire and its demise
- Roman emperors
- Life in the Roman army
- Life as a Roman in Roman towns and the countryside
- Hackney in the Roman times

Key vocabulary we will be using is: empire, invade, conquer, century, polytheism, emperor

I can't wait to see the amazing humanities homework you will complete on the Romans—the best pieces of homework will be added to our humanities classroom display.

Maths

The fundamentals that we will be focusing on this half term are:

Place Value

*Reads, writes, orders, compares up to 1,000,000 (knowing value of each digit).

*Reads Roman numerals to 1000 (M) (recognising years in Roman numerals.)

Addition and Subtraction

*+ - whole & decimal numbers more than 4 digits (including using column method).

In year 5, children are expected to be very fluent with their timetables and division facts up to 12x. This facilitates their learning of more complex skills that occur in the year 5 curriculum.

Please take any opportunity you have to practice times tables with your child.
